2013 HANDPICKED CABERNET SAUVIGNON MARGARET RIVER AUSTRALIA

2013 HANDPICKED CABERNET SAUVIGNON MARGARET RIVER AUSTRALIA

This wine has the rich berry flavours and bay leaf character that is distinctive of Margaret River, one of Australia's great Cabernet regions. 100% Cabernet Sauvignon Margaret River, Western Australia. Situated 280km south of Perth and surrounded by ocean on three sides, Margaret River is one of the most reliable wine growing regions in Australia. Nearly 100 kilometres long and 27 kilometres wide, the region has a diverse range of soils and mesoclimates which ensure no two vineyards are the same. : Hot, dry conditions in summer gave over to milder weather and chilly nights in autumn, which allowed slow ripening and excellent flavour development in Cabernet fruit. This wine was grown at four vineyards in the Wilyabrup, Carburnup and Wallcliffe sub- regions. Harvest was in late March. The must was fermented in overhead fermenters with pumping over and the wine was matured in a mix of old and new French oak barriques for 12 months. This wine has complex aromas of dark berry fruits and cedar with hints of chocolate and bay leaf. On the palate are rich blackberry flavours complemented by a long, fine tannin structure. Beef carpaccio. 94pts - James Halliday Double Gold - San Francisco Wine Competition \$30 Bottle / \$360 Case
